

## Fall Seminar Schedule 2008

### August

26 Troy Zars, University of Missouri, "Mechanisms of memory formation in *Drosophila*", Host: David Setzer

### September

- 2 J. Chris Pires, University of Missouri, "Chromosome evolution in mustards and monocots", Host: David Setzer
- 4\* Change Tan, University of Missouri, "Mechanism of incomplete cytokinesis during gametogenesis", Host: David Setzer. 18 Tucker Hall
- 9 Faculty Meeting
- 11\* David Schulz, University of Missouri, "Molecular underpinnings of the generation and maintenance of neuronal output", Host: Carl Gerhardt. 18 Tucker Hall
- 16 Dawn Cornelison, University of Missouri, "Context cues: Muscle regeneration and the cellular environment", Host: John Walker
- 23 Michael Garcia, University of Missouri, "Motor neuron growth and death", Host: John Walker
- 25\* Patrick Shiu, University of Missouri, "Meiotic silencing by unpaired DNA", Host: Karen Cone. 18 Tucker Hall
- 30 Lori Eggert, University of Missouri, "Using molecular genetics to provide insights into the ecology of species", Host: Karen Cone

### October

- 7 Faculty Meeting
- 14 No Seminar
- 21 Subbaya Subramanian, University of Minnesota, "Genomics of Sarcoma: Insights from mRNA and miRNA expression profiles", Host: Chudalayandi Sivanandan
- 28 Faculty Meeting

### November

- 4 Michael Freeling, University of California – Berkeley, "Biased gene content following gene duplication by any mechanism: whole genome, segmental, tandem and by transposition", Host: J. Chris Pires
- 18 Tony Imbalzano, University of Massachusetts Medical School, "Cromatin organization and gene activation during skeletal muscle differentiation ", Host: Dawn Cornelison
- 25 Thanksgiving Break

### December

- 2 Mark Lewandoski, National Cancer Institute - Federick, "The role of FGF signaling in outgrowth and patterning of embryonic structures", Host: Sam Waters
- 9 Faculty Meeting
- 16 No Seminar

**Unless indicated otherwise seminars will be held on Tuesdays at 3:30 pm in the Monsanto Auditorium in Life Sciences Center**

**Refreshments will be served before the seminar at 3:15 pm outside of Monsanto Auditorium**

**\* SEMINARS HELD IN 18 TUCKER HALL ON THURSDAYS at 3:30 PM**

**Refreshments will be served before the seminar at 3:15 pm in room 111 Tucker Hall**
